

2025-2026 SEASON SPONSORSHIP OPPORTUNITIES WITH ASPIRE DANCE STUDIO

Your contribution will directly help to offset costs for all of the competitive team dancers' competition entry fees, choreography lessons/guests, music fees, costumes, practice time and space, travel and more. Contributions also help in making dance accessible to all. Absolutely all of these contributions go back directly to the team fees, with no administrative fees. Our Booster Club has been established as a volunteer, non-profit club.

Our 2025-2026 Dance Season runs from August 2025 – June 2026, with many opportunities for recognizing your sponsorship! Depending on your sponsorship level, you could have an advertising write-off for your business and be highlighted around SWMN, with reach to SE SD and NW IA to stretch your advertising budget almost an entire year! At the end of this dance season, we will organize a “look book” portfolio to highlight where your advertising was shown, in hopes for future opportunities to work together!

Events:

Recital: Aspire Dance Studio dancers will perform in a 2 day recital.

Competition: It is our goal to host a home competition for Aspire Dance Studio and surrounding studios. Dancers on competition teams, as well as solos, duets, and trios will be competing in front of judges for scoring and awards.

Parades: Aspire Dance Studio participates in area parades, walking as a large group to highlight the studio and talent. Dancers walk and perform some tricks and skills, while displaying the studio banner and sponsors for area community exposure.

***Early Bird Special!** If you commit to sponsorship level with your contribution by September 30th, 2025, your level rate will be locked in for the next season when you choose to renew.

If you are interested in additional donation opportunities, please contact aspireboosterclub25@gmail.com.
